RE : AUDITED ACCOUNTS OF FML – MANAGEMENT AND ELECTION OF OFFICE BEARERES

Dear Brother in Islam,
Assalamu Alaikum Rahmatullahi Wabarkatuhu

As discussed in the last AGM that the audited accounts of FML Management is not to the satisfaction and acceptance.

We are not accusing of funds mismanagement nor mishandled at the moment, what we want is full clarification where we have great concern.

We wrote to our auditors and attached are the reply where one of the main concern is student levy account, Samabula mosque account and Zakaat account. All our concern is attached.

We are writing to you brother since Dispute Resolution seems not to be functioning and if some how we could get some written reply from the auditors.

Secondly, we have concern over the last FML Management election held at Kamil Muslim College where some members clearly show what FML will be after your departure from FML. Br. Shafiuallahs action was not acceptable and we have written to dispute resolution.

Brother if we do not have reliability and honesty in FML AGM, Council and Branches then great effort to build FML will go down.

May Allah (SWT) show us best of Prophet Muhammad (SAW) and show us a way out best for FML – long live FML.

Yours in Islam,

FERAZ GULAM MOHAMMED
