NASINU MUSLIM  
PRIMARY ~~MOOR~~  
MORTGAGE  
by Hafiz Khan.

Dear Brother in Islam.

Assalam wa Alaikum wa Rahmatullah Wa Barkatuhu

Brother, Alhammdullah by the grace of Almighty Allah I am fine and I also make dua for you brother to be in good health.

Brother the reason for me to write this letter is that in one of the working committee meeting which was held in Makoi last year sometimes in March. When the report was presented I as the Chairman of Nasinu Branch raised one issue which was on the report presented that indicated a land belongs to Nasinu Branch was mortgaged under Wespac Banking Coperation. After discussion brother Haroon was told by the National President to respond on that matter and at that time we were informed that Nasinu Muslim Primary School was under mortgage at approximate amount of \$83,000 but due to the reason for mortgaging was not presented in that meeting Nasinu Branch was assured that the full details will be submitted within a week or two.

Alhammudillah we received the report which indicated the same amount as mentioned above was mortgaged. Brother from then till now we didn't receive any letter from Headquarters that how much debt has been paid and how much is left and the members of Nasinu constituency wants to know about this thing. So brother it would be very grateful if you could please submit a full report on that matter so that we can produce it in our AGM which will be held on 25<sup>th</sup> of February, this Sunday.

Brother after I discussed this matter with Haji Shaukat Ali this morning I was informed that it will be much better if I request in written.

Hoping to hear a suitable reply from you.

Khuda Hafeez.

Your brother in Islam,  
.....
